- ⇒ Be sure to keep a bucket of water close by, in case of an accidental fire.

****Thanks to the Resident Council** for alerting me to the fact that our maintenance staff were not leaving the door hangers to let residents know what work they had done in their units. I re-enforced with all maintenance and TQM staff that the door hangers were an important notification for our residents to know that maintenance had been in their unit and what work was completed. We also talked about respect, being friendly and leaving apartments in the condition they found them. Their next meeting is July 21st at 2 PM in the Community Room at 89A Woodley Park Road, Gering.

If you have **any** concerns please bring those to my attention!! You can always reach me at 308-632-0473 or leave me a message. I always return my calls!!
